

MEDAESTHETIC LEADERSHIP 2017 BOOT CAMP

February 18, 2017, 8:00 AM – 5:00 PM

Las Vegas, NV

Limited to 100 Attendees

Event Summary:

Inaugural conference for physicians, nurses, and physician assistants, practicing minimally invasive aesthetic medicine. As a member of this "MedAesthetic Practitioner" community, you represent the fastest growing segment in the aesthetic medicine industry. We will provide you with the opportunity to learn about the latest techniques for cosmetic wrinkle filler injections, neurotoxins, anti-bruising microcannula, Platelet-Rich Plasma (PRP), microneedling, lasers, radio-frequency and plasma energy devices, body shaping technology, cosmetic combination treatments, and facial anatomy instruction. Additionally, you will learn about the business side of aesthetic medicine via presentations on SEO, web design, IT, and aesthetic malpractice insurance.

Why Attend?

This is an outstanding opportunity to participate in this first-of-its-kind event and spend the day with the top providers of medaesthetic products, leaders in developing the latest techniques, and networking with your peers. As the first leadership participants in the conference, you will also become part of this exclusive community through included AMAA first year membership.

Conference format:

- Speaking Sessions – keynotes, presentations and live procedures.
- Exhibits – meet with key industry providers at their tabletops located in main conference room.
- Meals – breakfast (standing), breaks (standing) and lunch (seated) held in main conference room. Lunch "Moveable Feast" format with tapas at each table. Attendees complete five table rotations, one every 10 minutes, to personally meet with key providers to discuss specific topics (TableTopics & Tapas).

Registration:

- Advance - \$495
 - Full day conference attendance
 - Access to all generally available conference materials
 - Networking with providers, faculty presenters and peers
